

2025
PART TWO

GALVIN GREEN
NEVER COMPROMISE

NEW LEGACY

REDEFINING THE VALUES OF GOLF

Driven by a love for classic golf heritage and a commitment to cutting edge innovation, the 2025 part 2 collection is a fusion of old and new, while embodying the modern principles of the sport. New Legacy reimagines the core values of golf by merging traditional prints and patterns with advanced materials and designs. From redefined houndstooth patterns to the finest high-tech fabrics, this collection is a fresh take on a timeless sport.

At Galvin Green, golf is woven into the very fabric of who we are. With a rich history rooted in the sport, we are committed to enhancing the enjoyment of the game while staying true to our values of integrity and sustainability. This collection reflects our dedication to creating clothing that allows golfers to excel, while also respecting the planet and its inhabitants.

WELCOME TO THE FAIR_WAY

THE FAIRWAY. WE'RE ALL FAMILIAR WITH IT. IT'S THE DIFFERENCE BETWEEN BEING IN THE GAME - OR OUT. AND THEREFORE, WE PUT IN THE HOURS. JUST LIKE ALL SERIOUS PLAYERS OUT THERE. WE STAY KEEN TO IMPROVE. WE USE OUR KNOWLEDGE TO INFLUENCE HOW THE FUTURE UNFOLDS, UP TO THE GREEN AND BEYOND. WE NEVER COMPROMISE. NOT ON TECHNOLOGY, NOT ON PERFORMANCE, NOT ON THE FUTURE. OUR PRODUCTS ARE MADE TO LAST. AND FOR OUR PLANET TO DO THE SAME.

WELCOME TO THE FAIR_WAY.

Our commitment, as strategic partner to the GEO Foundation, is an important step in driving development in the golf industry. The GEO Foundation is an international non-profit organisation, entirely dedicated to helping accelerate sustainability in and through golf.

DURABILITY

Durable products are the foundation of Galvin Green and our garments. The most sustainable piece of clothing is the one you already have in your closet, and owners of our products will know they can rely on their Galvin Green pieces for years. We also help our customers to maintain their garments by offering help with repairing or re-waterproofing.

ENVIRONMENTAL RESPONSIBILITY

We perform thorough testing of our products, both for durability and chemical contents. For the past two years, we've been performing chemical testing at 3rd party institutes, using globally recognized methods such as ISO, which ensures the safety of our products using transparent methods. We're expanding the number of components in our range that are sample tested every year.

SOCIAL RESPONSIBILITY

We consider the well-being of our vendor's staff extremely important. To ensure they have a safe and healthy working environment, we have a code of conduct included in our supplier agreement. We also collect 3rd party social audits from all our garment manufacturers annually.

- All DRYVR™ fabrics are either ISO-tested or bluesign® certified
- All INTERFACE-1™ fabrics are either ISO-tested or bluesign® certified
- All INSULA™ fabrics are either ISO-tested or bluesign® certified
- All SKINTIGHT™ fabrics are either OEKO-TEX® or bluesign® certified
- All VENTIL8™ PLUS shirts and almost all VENTIL8™ PLUS bottoms are made of ISO-tested fabrics
- All hangers and plastic bags are made from recycled plastic

COMFORT COMBINATIONS

Waterproof, windproof, warming, cooling, or a combination of – Galvin Green's Comfort Combinations will ensure you achieve comfort on the course by combining the right layers.

2025 PART TWO

NEW & NOTEWORTHY

GORE-TEX ePE MEMBRANE

Introducing our first-ever lined GORE-TEX without PFAS, featuring an innovative ePE membrane. This groundbreaking material is now available in two jackets (**Aston** for men and **Ava** for women), and two pants (**Aron** for men and **April** for women.)

NEW IN INSULA™: DEAN AND DALTON

Dean offers a fresh twist on our classic INSULA half-zip, featuring bold contrast panels along the sides and a striking back stripe. **Dalton** incorporates similar design elements, with the addition of padded detailing on the chest for extra warmth.

ULTRA LIGHTWEIGHT INTERFACE-1™

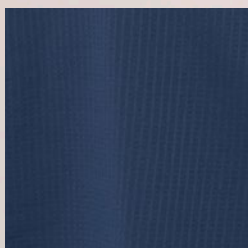

New for 2025, the ultra-lightweight INTERFACE-1™ Warming Effect #1 jackets, Larry and Lilly, feature our lightest windbreaker fabric yet. Weighing less than 200g, these ultra-light jackets are easy to wear and pack

NEW SHIRTING FABRIC: MAPLE

The Maple shirt is made with the new breathable VENTIL8™ PLUS fabric, offering an Oxford-like texture and stitched grosgrain details for a stylish finish.

NEW SHIRTING FABRIC: MONTE

The Monte shirt is made with a new, ultra-lightweight waffle-textured fabric that enhances breathability for maximum comfort.

THE SMITH BUCKET HAT

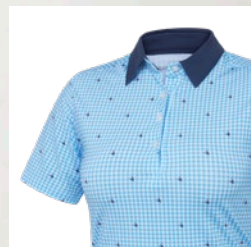

This INTERFACE-1™ bucket hat is made from windproof, water-repellent fabric and features an innovative adjustable drawstring with a stopper, so you can easily tighten it and keep it secure, even on windy days.

NEW PADDED STYLES

The INTERFACE-1™ collection introduces four new padded styles (Lennon, Lennox, Lydia, and **Luna**), featuring slightly thicker padding and melange fabric options in select colours. This season also marks the return of sand, our first offering in this shade in several years.

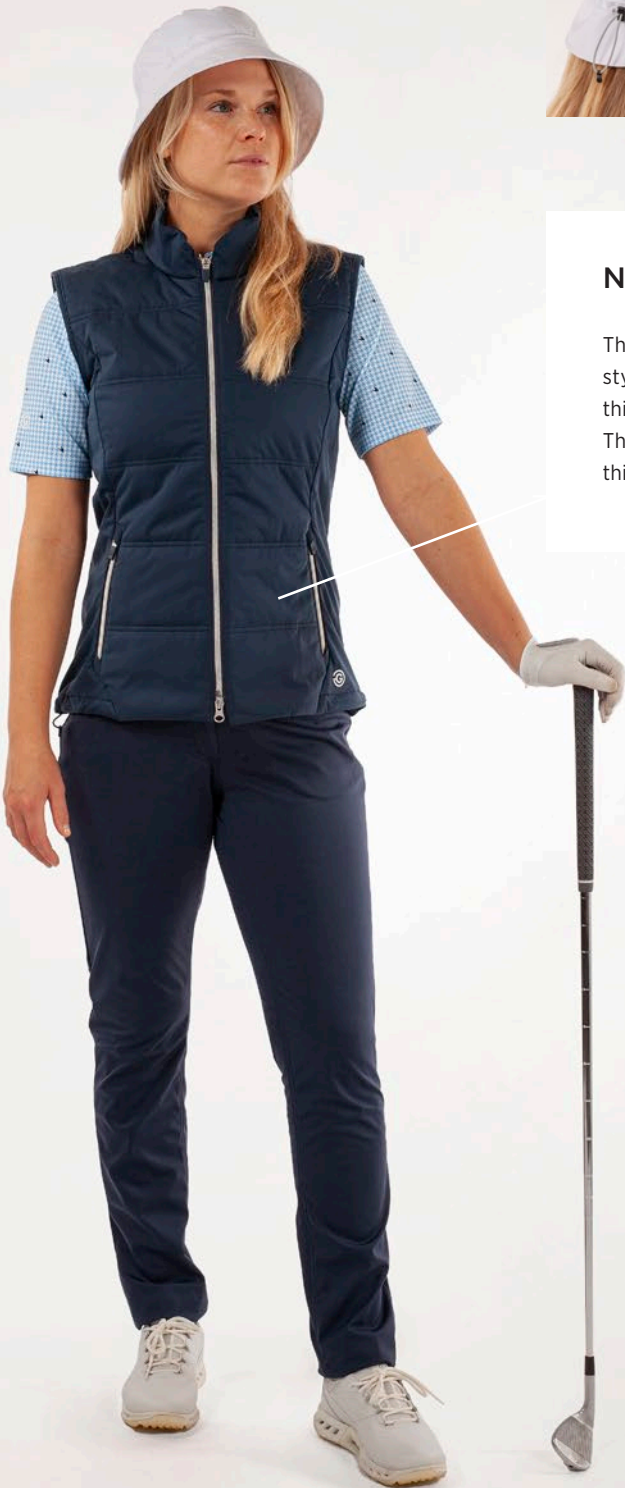

COLLECTION DETAIL: BACK STRIPE

The standout feature of the 2025 collections is the wide back stripe, showcased across various menswear pieces and incorporating the brand logo for a bold, signature look.

ALMOST MATCHING

The Marley men's shirt and Marlene women's shirt feature the same print, available in a variety of distinct colours for each.

EUROPE

SIZING INFORMATION

GALVIN GREEN IS A SWEDISH BRAND KNOWN FOR ITS EUROPEAN FIT. OUR CLOTHING TYPICALLY FITS TRUE TO SIZE, BELOW ARE SOME HELPFUL FIT NOTES FOR OUR KEY COLLECTIONS:

DRYVR™ AND INTERFACE-1™ JACKETS

The DRYVR™ and INTERFACE-1™ jackets offer a tailored fit, but they're not overly snug. They are designed to accommodate layering with base and mid layers underneath.

INSULA™ MID LAYERS

The INSULA™ mid layers are designed for a snug fit to maximise their thermal insulation properties. However, the super-stretchy fabrics ensure they remain comfortable and non-restrictive, making them ideal for layering under jackets.

VENTIL8™ PLUS SHIRTS

The VENTIL8™ PLUS shirt range typically fits true to size.

SKINTIGHT™ BASE LAYERS

The SKINTIGHT™ Thermal and Fresh base layers are made with super-stretch fabrics and are designed to fit tightly against the body to optimise thermal insulation and/or layering.

DRYVR™ TECHNOLOGY

INNOVATIVE PROTECTION

Rain gear has always been our passion, and our best-selling category. The 2025 Part 2 DRYVR™ waterproofs collection is available in a range of high-tech materials specifically chosen for their durability and functionality in the face of harsh weather conditions. Featuring both GORE-TEX and PERTEX™ waterproof fabrics, golfers can choose from stretch or non-stretch materials, and classic tones or bold colour contrasts.

Galvin Green's commitment to quality, durability and comfort makes us the first choice for serious golfers around the world. Stay dry with award-winning golf rain gear, made from some of the world's most reliable waterproof materials.

UNITING GOLF AND STREET

Seamlessly blending function and style, GALVIN GREEN CONCEPT offers the younger golfer a high-performance collection with versatile pieces that double as street wear. Enhanced with modern features and the high-tech materials you've come to expect from Galvin Green, this exciting new range is designed to dress a player with high expectations for innovation in technology and design — and whose wardrobe pieces crossover between sport and urban life.

A full-body photograph of a man standing in the center of the frame. He is wearing a dark navy blue hooded jacket with a camouflage patterned inner lining and a small 'GALVIN GREEN' logo on the left chest. He is also wearing a black beanie with a small logo, dark navy blue pants, and dark sneakers with white soles. The background is a solid purple wall, flanked by dark vertical panels. The floor is a light brown, textured surface. The text 'GALVIN GREEN CONCEPT' is overlaid in white, bold, sans-serif capital letters across the middle of the image.

SKINTIGHT™

A full-body photograph of a woman standing in the center of the frame. She is wearing a white long-sleeved shirt, a light beige quilted vest, white pants, white socks, and white sneakers. She also wears a white baseball cap and a white golf glove on her left hand. In her right hand, she holds a golf club. The background is a light-colored wall with a subtle geometric pattern. The floor is covered in a large, repeating geometric pattern of light beige and grey shapes. The text "WOMEN'S COLLECTION" is overlaid in the center of the image.

MEASURING GUIDE

Measurements should be taken directly on your body. Use a measuring tape.

MEN'S

BODY MEASUREMENTS

Measurements should be taken directly on your body. Use a measuring tape.

A. CHEST

Measure around your chest at the fullest point while inhaling, holding the tape firm and level.

B. WAIST

Measure around your natural waistline just above your navel.

C. HIPS

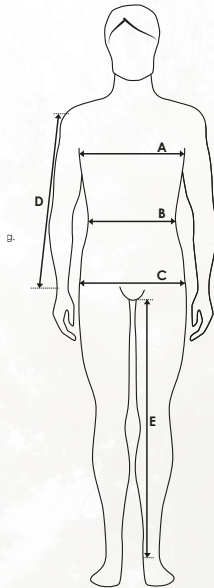

Measure around the fullest point of your hip area while standing.

D. ARM LENGTH

Measure from the top of your shoulder to your wrist.

E. INSEAM

Measure from the crotch to the bottom of the pants.

SIZES (CM)

	S	M	L	XL	XXL	3XL	4XL	5XL

WOMEN'S

BODY MEASUREMENTS

Measurements should be taken directly on your body. Use a measuring tape.

A. CHEST

Measure around your chest at the fullest point while inhaling, holding the tape firm and level.

B. WAIST

Measure around your natural waistline just above your navel.

C. HIPS

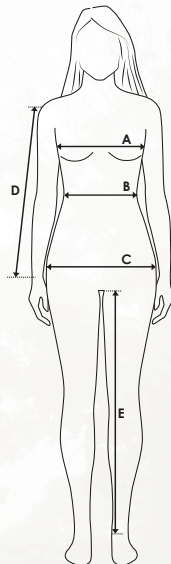

Measure around the fullest point of your hip area while standing.

D. ARM LENGTH

Measure from the top of your shoulder to your wrist.

E. INSEAM

Measure from the crotch to the bottom of the pants.

SIZES (CM)
