

2025
PART ONE

GALVIN GREEN
NEVER COMPROMISE

A HISTORY OF PERFORMANCE

TRADITION MEETS TECHNOLOGY

From the first courses in Scotland, to the traditional clothing worn by early golf enthusiasts, we believe legacy and history matter. Rooted in the origins of this great game, the 2025 Part 1 collection is inspired by tradition but driven by cutting edge technology. Experience dreamy landscapes, captivating argyle patterns, and high-tech features designed to enhance performance – all seamlessly woven together.

This season, we're excited to celebrate 35 years of making premium, high-tech golf apparel that's responsibly-made and designed to last. As a family business that was founded on a love for the sport, the roots of golf are ever-present. Never resting on our laurels – we stay keen to improve. We use our knowledge to influence how the future unfolds, up to the green and beyond. Because we love golf. And we are golf.

WELCOME TO THE FAIR_WAY

THE FAIRWAY. WE'RE ALL FAMILIAR WITH IT. IT'S THE DIFFERENCE BETWEEN BEING IN THE GAME - OR OUT. AND THEREFORE, WE PUT IN THE HOURS. JUST LIKE ALL SERIOUS PLAYERS OUT THERE. WE STAY KEEN TO IMPROVE. WE USE OUR KNOWLEDGE TO INFLUENCE HOW THE FUTURE UNFOLDS, UP TO THE GREEN AND BEYOND. NOW, WE'RE READY TO TAKE THE LEAD. AND TO PERHAPS REWRITE THE ENTIRE GAME PLAN. WE NEVER COMPROMISE. NOT ON TECHNOLOGY, NOT ON PERFORMANCE, NOT ON THE FUTURE. OUR PRODUCTS ARE MADE TO LAST. AND FOR OUR PLANET TO DO THE SAME. WELCOME TO THE FAIR_WAY.

Our commitment, as strategic partner to the GEO Foundation, is an important step in driving development in the golf industry. The GEO Foundation is an international non-profit organisation, entirely dedicated to helping accelerate sustainability in and through golf.

Durable products are the foundation of Galvin Green and our garments. The most sustainable piece of clothing is the one you already have in your closet, and owners of our products will know they can rely on their Galvin Green pieces for years. We also help our customers to maintain their garments by offering help with repairing or re-waterproofing.

We perform thorough testing of our products, both for durability and chemical contents. For the past two years, we've been performing chemical testing at 3rd party institutes, using globally recognized methods such as ISO, which ensures the safety of our products using transparent methods. We're expanding the number of components in our range that are sample tested every year.

We consider the well-being of our suppliers extremely important. To ensure they have a safe and healthy working environment, we have a code of conduct included in our supplier agreement. We also collect 3rd party social audits from all our garment manufacturers annually.

- All DRYVR™ products are made from ISO tested or bluesign® approved fabrics.
- All INTERFACE-1™ products are made from ISO tested or bluesign® approved fabrics.
- All INSULA™ products are made from ISO tested or bluesign® approved fabrics.
- All VENTIL8™ PLUS pants are made from bluesign® or OEKO-TEX approved fabrics.
- All VENTIL8™ PLUS shirts are made from ISO tested fabrics.
- All hangers and plastic bags are made from recycled plastic.

DRYVR™ TECHNOLOGY

THE FUTURE OF WATERPROOFS

We are expanding our range of DRYVR™ waterproofs with cutting-edge rain gear technologies. Among them is a new non-stretch Pertex® fabric known for its ultra light weight, available in three styles. The Pertex® stretch material will also be available in three shapes — this 3-layer fabric is soft and stretchy, and creates a superior next-to-skin comfort with a 'slide & glide' interior that reduces friction with garments worn underneath. Both Pertex® fabrics are ISO tested and PFC-free, making them an environmentally friendly choice for you to wear, use and rely on – year after year. Meanwhile, the range in GORE-TEX fabric includes styles with lining and styles in non-stretch Paclite®, long-standing staples from Galvin Green's waterproof collections. The weather is unpredictable. We aren't. Gear up with the very highest standard in waterproof apparel.

- PFC-free

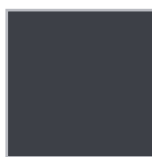

A man is standing on a golf course, looking off to the side. He is wearing a dark blue hooded jacket over a red and white patterned polo shirt, dark blue pants, and a red cap. He is holding a golf club in his left hand. The background shows a green golf course with a body of water and trees under a cloudy sky.

SKINTIGHT™

A woman with blonde hair is standing on a golf course, looking towards the camera. She is wearing a white zip-up jacket over a dress with a colorful, abstract pattern in shades of blue, green, and pink. She is holding a golf club in her right hand and wearing a white golf glove on her left hand. The background shows a lush green golf course with a body of water and rolling hills under a clear sky.

VENTIL8™ PLUS

A male golfer is shown in profile, looking down. He is wearing a red baseball cap, a dark blue polo shirt with a white and red geometric pattern, white trousers, and a blue belt. He is holding a golf club with a white glove on his left hand. The background is a blurred golf course with a body of water and rolling hills under a clear sky.

MEASURING GUIDE

Measurements should be taken directly on your body. Use a measuring tape.

MEN'S

BODY MEASUREMENTS

Measurements should be taken directly on your body. Use a measuring tape.

A. CHEST

Measure around your chest at the fullest point while inhaling, holding the tape firm and level.

B. WAIST

Measure around your natural waistline just above your navel.

C. HIPS

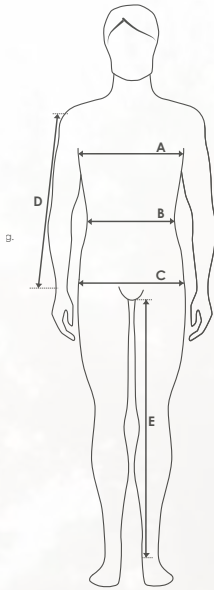

Measure around the fullest point of your hip area while standing.

D. ARM LENGTH

Measure from the top of your shoulder to your wrist.

E. INSEAM

Measure from the crotch to the bottom of the pants.

SIZES (CM)	S	M	L	XL	XXL	3XL	4XL	5XL
